

Restaurant

renger-patzsch

The photographer Albert Renger Patzsch (1897-1966) was a friend of my grandfather Fritz Schupp, renowned architect of „Zeche Zollverein“, a World Heritage site. He collected Renger Patzsch's works which I have been fortunate to inherit. His pictures hang in great museums throughout the world including the MOMA in NY and now also in the Restaurant Renger-Patzsch.

Oliver Schupp
